Re: **District's Denial of Government Claim**

Dear Rene and Gary,

Enclosed to each of you is a copy of the District's denial of the "Claim" we filed earlier this summer. It is from Keenan and Associates, apparently acting on behalf of the District. As it states, we have a maximum of six months in which to file a law suit against the District about these issues, if that is the route we are to take.

This was not unexpected, and it does not mean the District has decided against settling - it is just a necessary formal step.

Josh Morrison, the lawyer for the District, had asked for an extension of time in which to respond, and I had agreed to extend the time until late September, but here it is. So either Morrison and Keenan were not communicating well, or the District changed its mind.

Very truly yours,

Martin Fassler
